RE: **Diamond Towers V LLC – Los Cerrillos / Client #NM017 – Trileaf Project #658234**
0 NM 14, Los Cerrillos, NM 78229
Santa Fe County, Picture Rock Quadrangle (USGS)
Latitude: 35° 26' 15.309" N, Longitude: 106° 7' 15.065" W

Dear Mr. Kurtz:

Using information provided to us by the State Historic Preservation Office and several local organizations Trileaf has completed photo-simulations to show what the proposed communication tower will look like from different viewpoints around the area.

Attached you will find simulations showing both the water tower and stealth pine tree option for the tower. Unfortunately, we were not able to produce simulations for all the locations that were requested. However, we hope that this will provide a good context for everyone.

If you wish to comment, please respond within thirty (30) days of the date of this letter. If a response is not received within thirty (30) days, it will be assumed that you have no objections to this undertaking.

Please call me at (480) 850-0575 or email p.rees@trileaf.com if you need additional information or have any questions. Thank you for your assistance in this regard.

Sincerely,

A handwritten signature in black ink that reads "Patricia Rees". The signature is written in a cursive style and is positioned above a horizontal line.

Patricia Rees
Senior Project Scientist II
