

San Marcos Association Annual Meeting

February 20, 2020 at 6:00 PM

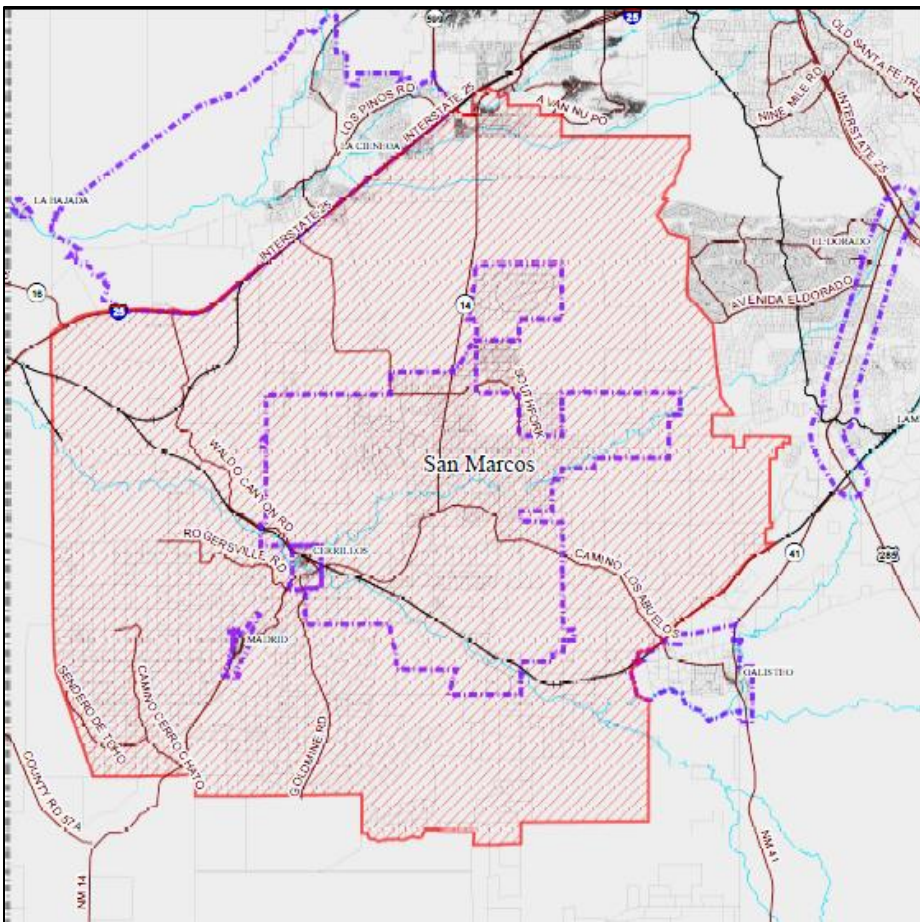

Turquoise Trail Volunteer Fire Department – HWY 14

Do you live in Santa Fe County? In the area we represent? If so, you might be interested in attending the San Marcos Association Annual Meeting for 2020. It is open to the public and all are invited to come.

The San Marcos Association* (SMA) is a Registered Organization (501(c)(4)) representing the residents and property owners in the area shown by the red outline on the map below. As you can see, our Association covers more than just San Marcos.

*Not to be confused with the smaller San Marcos Planning District outlined by the purple dashed area

WE NEED TO HEAR FROM NEIGHBORS THROUGHOUT OUR AREA!

The SMA was formed in the early 1980s by General Goodwin and others in order to:

- Protect the rural, residential character of the area;
- Monitor development to see that it is consistent with that character;
- Represent the area's property owners/residents in matters of public service, utilities and the general welfare of people.

In the past, the SMA has been influential in:

- Preventing the Hwy 14/599 truck stop
- Opposing La Bajada strip mining
- Protecting our drinking water from high volume commercial exploitation
- Mitigating surface and sub-surface pollution from past gold mining operations in the Ortiz Mountains
- Arbitrating disputes between neighbors

WHY SHOULD I ATTEND?

The SMA needs representatives from all parts of the area we represent. And, we are in need of Board members and Officers to help the Association continue its advocacy. Protecting this community is in everyone's interest and being involved with the SMA is an excellent way to help.

Our meeting agenda can be found at <http://www.sanmarcosassociation.org/>. If you are interested, but cannot attend, please sign up at this website so we may keep you informed of developments.
