

SAN MARCOS ASSOCIATION NEWS LETTER NO. 1

TO ALL RESIDENTS SOUTH OF STATE PEN AND NORTH OF CERRILLOS BRIDGE:

Please be notified that the San Marcos Association (SMA) has been re-established. Two meetings have been held, the first Sept. 1, 1982 attended by about 25 concerned residents, the second meeting, Oct. 21, 1982, was attended by about 15 members who elected the following officers:

Pres. - Sam Goodwin
V. Pres.- Pat Soland
Treas. - Renee Benjamin
Sec'y - Laura Scarafiotti

A membership fee of \$5.00 per family was adopted, and a membership drive is underway.

The bylaws of the old San Marcos Association were reviewed and the basic purpose of protecting the rural residential environment of the area were reaffirmed. The present primary concerns of the association include the following:

A. Rancho Viejo Development - a major residential subdivision (east of Hiway 14 to El Dorado) and light industrial development. Rancho Viejo are presently attempting to acquire 350 acre ft. of water rights.

B. Exploratory drilling on Jarrott Ranch by CZK and Continental Crude Oil Company.

C. Removal of temporary RV trailer park 1/3 mile south of Lone Butte Store.

D. Residential development on state land leased for grazing.

E. Inadequacy of Santa Fe County maintenance of county roads.

1. Eastward extension of State Road 22 from Hiway 14 for a distance of about 4 miles.

2. County Road 42, "Galisteo Cutoff", from Hiway 14 to village of Galiteo.

3. County road 55-A access for all properties in the Galisteo River Valley from Hiway 14 to river for a distance of about 2 miles.

SMA will support all reasonable actions to improve the quality and frequency of County road maintenance in the area.

Your membership in the new San Marcos Association is needed to lend "clout" to our representation of the common interests of all of us who own property or reside in the area. You may be active or passive according to your interest.

Yes, I want to become a member of SMA.
