to me

Hi Dennis,

On behalf of the County, I'd like to thank you for including us and extending the invitation to attend your upcoming Community Association meeting. Unfortunately, due to staff schedules and competing priorities, we must decline. I understand that you'd hoped we could provide some information about the Cerillos Senior Center, so I have included some below, in the hopes that you can share it with your group. Like you, we are eagerly anticipating the Center's opening later this Spring.

Once the Cerillos Senior Center opens, your community can expect to see activities and services such as programs, meals and transportation services. Santa Fe County Senior Services program centers are fun, inviting, and full of life! We are honored to provide a wide range of engaging opportunities for adults aged 60 and older. Our programs promote connection, creativity, learning, and overall well-being through activities that support strength, balance, mobility, and mental health.

### **Lunch Service at Senior Centers**

Adults aged 60 or older are welcome to enjoy lunch at any Santa Fe County Senior Center. Meals are served in a friendly, congregate setting Monday through Friday between **11:30 a.m. and 1:00 p.m.**

- Suggested donation for eligible seniors: \$1.50 per meal (donation is encouraged but not required)
- Cost for individuals under age 60: \$7.50 per meal

### **Lunch Service Delivered to the Home**

Santa Fe County Senior Services proudly provides nutritious meals to qualifying homebound seniors, meeting our eligibility requirements.

### **Transportation Services**

Santa Fe County Senior Services offers safe, reliable, and affordable door-to-door transportation for eligible seniors who live outside Santa Fe city limits but within Santa Fe County.

For additional information about any of these programs and services, please call 505-992-3069.

I hope it's ok if I keep your email address on file, so that I can be sure to invite you to the ribbon-cutting event once scheduled!

Best,

Stephanie
